#### In Remembrance Of Our Beloved Parents

#### The Honorable Joe Ellis and Dorothy Henderson Brown

"When someone you love becomes a Memory. That memory becomes a Treasure."

The special memories of our parents will always bring a smile to those who knew them. From the second they touched our lives, they taught us how to love and serve unconditionally. We will continue to carry forth that legacy of love and service.

Your loving daughters, Angela Gay and L'Tanya Gabriel Brown

"A life that touches others goes on forever!"

## Remembering

The Honorable John Edward Caldwell

...a best friend, partner, husband and father

Nothing is greater than the memories of our life together. For as long as we can, we will laugh with the birds, sing with the flowers, pray to the stars, and smile for the years we had together.

Your loving wife, Patricia Henderson Caldwell, son and wife, Sean and Takissa Caldwell, granddaughter, Brittany Caldwell and great grandson, Lasean Caldwell-Jones

"Love is priceless and never-ending"

## In Loving Memory

#### Wonderful Friend

Of all the special gifts in life however great or small, to have you as our Friend was the greatest gift of all.

May the winds of love blow softly and whisper in your ear "We love and miss you Friend and wish that you were here"

Deep in our hearts, your life is kept to love and cherish not forget. No more tomorrows we can share but yesterdays are always there.

A silent thought, a secret tear keeps your memory ever near in our hearts forever.

#### "THE MEASURE OF A MAN"

Not - How did he die? But - How did he live? Not - What did he gain? But - What did he give?

These are the things that measure the worth Of a man as a man, regardless of birth.

Not - What was his station? But - had he a heart? And - How did he play his God-given part?

Was he ever ready with a word of good cheer? To bring back a smile, to banish a tear?

Not - What was his church? Not - What was his creed? But - Had he befriended those really in need?

Not - What did the sketch in the newspaper say? But - How many were sorry when he passed away?

These are the things that measure the worth Of a man as a man, regardless of birth.
